

CERTIFICATE OF ANALYSIS

ProteanFect CRISPRMax Ultra Mouse Immunocyte Transfection Kit

1. Product Information

Product Number	PT09	
Shelf Life	1 Year	
Shipping Condition	Dry Ice	
Package Size	PT090010A	0.1 mL
	PT090020A	0.2 mL
	PT090050A	0.5 mL
	PT090100A	1.0 mL
	PT090500A	5.0 mL

2. Testing

Contamination

Material has been filtered through a 0.2 µm filter.

Result: Meets Specification

Analytical Testing

Product has been tested by SEC, quantitative HPLC, and functional measurements.

Result: Meets Specification

3. Quality Assurance Statement

This product has been thoroughly tested and meets quality standards.

For Research Use Only. Not for use in diagnostic procedures.
