

CERTIFICATE OF ANALYSIS

InVivo ProteanFect Coacervate-Based In Vivo Nucleic Acid Delivery Kit

1. Product Information

Product Number	PT51	
Shelf Life	Use within 1 month after first opening	
Shipping Condition	Dry Ice	
Package Size	PT51-0001A	0.01 mL
	PT51-0002A	0.02 mL
	PT51-0010A	0.1 mL

2. Testing

Contamination

Material has been filtered through a 0.2 µm filter.

Result: Meets specification

Analytical Testing

Product is tested by SEC, quantitative HPLC, DLS and functional measurement.

Result: Meets specification

3. Quality Assurance Statement

This product has been thoroughly tested and meets quality standards.

For Research Use Only. Not for use in diagnostic procedures.
